

## True Guidance

*Do you not hear our whispers, so clear,  
Asking you LISTEN!*

*Your Heart sings the Tune  
To your Guided Path.*

*Do you not see the Heavens above  
Asking you LOOK!*

*Beyond your Horizon...not far.*

*Search Deep within the Well of your Soul  
For there lies the Truth of who you are  
- True essence of Love and Light.*

*So Please Dear Soul*

*Judge not yourself for who you were,  
Accept who you have become today.*

*Judge not your actions of your past,  
Embrace the Lessons you have learnt along the way.*

*We ask you to surrender your fears to us,  
And Celebrate the Glory, the Beauty of Life.*

*We hear your Prayers, we taste your tears  
Yearning for Guidance, True Meaning of Life.*

*Oh Dance My Child, Sing and Laugh.*

*With Faith and Hope as your Strength,*

*We will surely help you along your Path*

*To help you see clearly your Destiny*

*And Fulfil your Dreams Beyond...not far*
