35.12Minutes

Saratoga Ocean presents a sensational and exceptional video that provides the most important key factors of awakening.

- The struggles of awakening and the reasons behind it
- The significance of and why one has suppressed their highest potential of self
- How trying to fit in to the status quo and the deep need for compliance contributes to where society stands today and the division.
- The fear factor and how it contributes to your struggles
- Indoctrinated, often inherited, belief systems with the aim of control
- How to find your true self
- How to find greater peace
- How to connect with others and or yourself during the times of fear, compliance, awakenings and changes in life
- Reveals “the unconscious paradigm the controllers have programmed into humanity, and how this is standing between you as an awakening being and the people in your life”
- Provides key introspection, thoughts to reflect upon and solutions
