## TRIBUTE

Tribute to Truth.

Without you The World would not have found true Freedom.

To every single soul who are Truth, Are Love for Truth, stand for Truth, fought for Truth, protect Truth, defend Truth, respect Truth, brought Truth out for all to see its Light and Magnificence, saving our beloved children, animals and Life on Earth, Helping Planet Earth, making a Beauty-FULL difference to the world for the better, who have done immensely for the world and for me, who have courageously contributed enormously towards restoring true freedom and peace on Planet Earth,

**From the depths of my Soul I love you I Thank you!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!**

There are so many who have done immensely for the world and for me. Some have had to face enormous duress, some sacrificing dearly and some their own lives, for the sake of TRUE justice to be served so as to help the Planet Earth and Life on it!!!!!! It is a TOTAL HONOUR to know some of these souls in person and some from afar, and those that did things that we wish we knew their true identity, understanding why they were not able to be revealed to us. From the depths of my own Soul I thank you for your deepest help and guidance, for your protection and for your Honour.

I have in previous years mentioned many names via dedications and in links, past websites and books, and other means. The list is endless.

Although I may not be able to mention everyone in these Acknowledgements, it is because there are good reasons for it. You know who you are and I with all of my soul THANK YOU!!!!!!!!!!!!!! I am sincerely grateful beyond words.

I do wish to dearly mention where possible, those that have formed a part of my personal journey, those that have helped me to be where I am today, and those that have left significant footprints in my life. Forever I hold dear the Treasures of Memories. I am Humbled.

You are the core of this precious journey, the backbone. Without you most of what is or has unfolded would not have been possible. What you have done is invaluable. Your love, support, joy, inspiration, strength and Blessings have been undeniably deeply appreciated. I Love YOU!!!!!! I Thank You!!

To my most Precious love ones, my most dearest and closest friends, and those dear to me, you are My Heart Treasures. Without you all I would not have accomplished so much and done what I did for Love. You are my life and my strength. You are my Light and My determination and purpose for life, for the Leaps and bounds. You are My Blooms. You are what I live for. You are my love. I thank you with all of my Soul!!!!!!! My love for you all is deep. I appreciate you all immensely. I love you all so much.

Patrick DaCosta Words cannot convey enough the enormity of gratitude to you. When our website was shut down and erased back in April of 2019, just prior to May 2019 Australian Federal elections, for standing in Truth, it took enormous healing to regroup, courage and guidance to contact you with the hope that we would be able to utilise your platform about World Events, to continue to spread the truth and raise awareness. What you did for me is unforgettably deeply moving and humble. Thank you. Thank you Thank you Thank you. Because of you I was able to continue to have articles published about Truths, Philosophical and Spiritual aspects of life, and Guidance, whilst rebuilding our website. I will forever be grateful. You also helped a lot of people and others be able to get the truths out there as well. Thank you for Operation Disclosure (<https://operationdisclosure1.blogspot.com/search/label/Para%20Kas-Vetter> <https://operationdisclosure.blogspot.com/search/label/Para%20Kas-Vetter> <https://operationdisclosureofficial.com/tag/para-kas-vetter/>) and Voyages of Light (<https://voyagesoflight.blogspot.com/>; <https://voyagesoflight.blogspot.com/search/label/Para%20Kas-Vetter?&max-results=7>).
